Portfolio: https://brichardson117.github.io/brittney-react-portfolio/

Full Stack Web Developer with a certificate from Rice Coding Bootcamp, newly acquired skills for Frontend and Backend Web Development. Very well known for exceptional soft skills and communication, incredible work ethic, and desire to learn and grow. I aim to give users the best experience using web pages I worked on developing across all devices. I look forward to collaborating with a team of developers to improve end-users and clients' experiences.
